

3. Please complete the statement below.

This application does not create an entitlement to "high-level arts practitioner" status, but is only the application form for that purpose. The student confirms that all information has been filled in truthfully. The student undertakes to immediately communicate (serious) changes in the situation described that no longer require facilities to the special needs assessor of their campus.

This application form and attachments will be delivered to LUCA Art Office, for advice on the professional art practice involved with final decision by management team of education (through reasoned advice from LUCA Art Office and special needs assessor)
