FILMEU Summit, Brussels

22-26 June 2026

Hotel recommendations

Brussels offers a wide range of hotels, from boutique stays in the city centre to international chains near the EU district. But between **22–26 June**, demand will be especially high due to major events, including the World of Coffee Brussels 2026 and ongoing European summit activities.

Booking early is strongly recommended to secure good rates and convenient locations, as last-minute options are often limited and more expensive.
