LNO²: LESOPNAMES

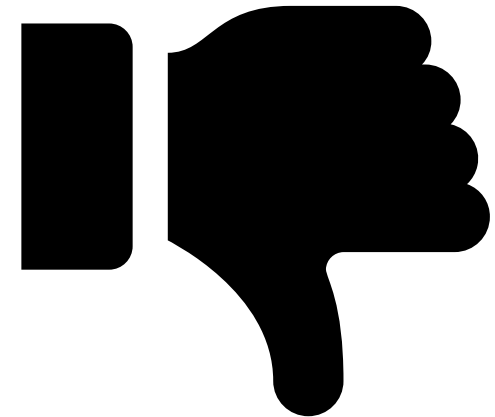

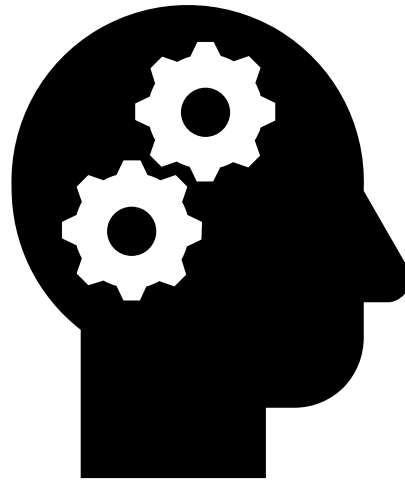

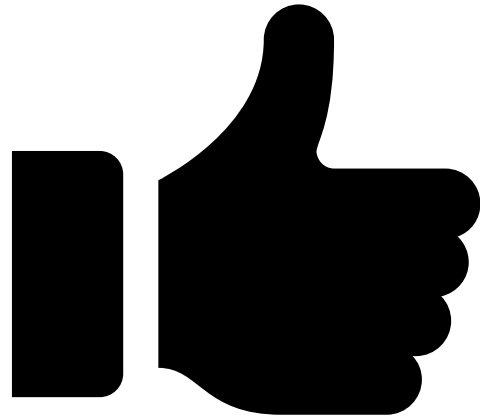

Komend academiejaar willen wij lesopnames aanbieden

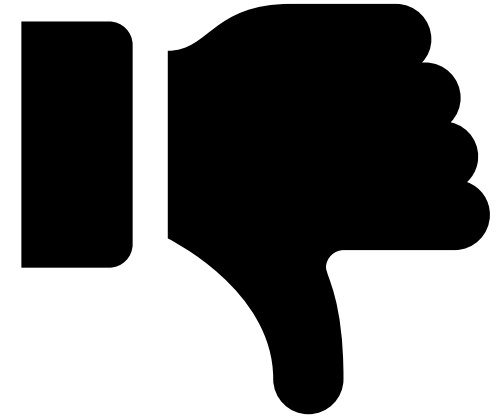

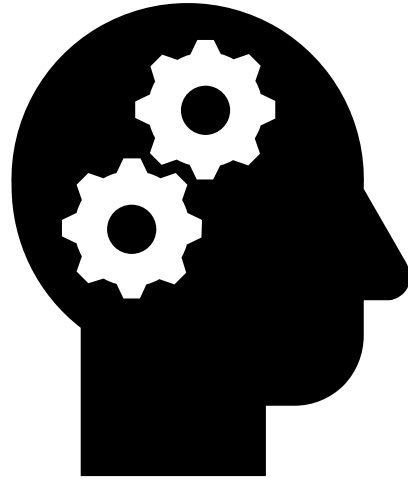

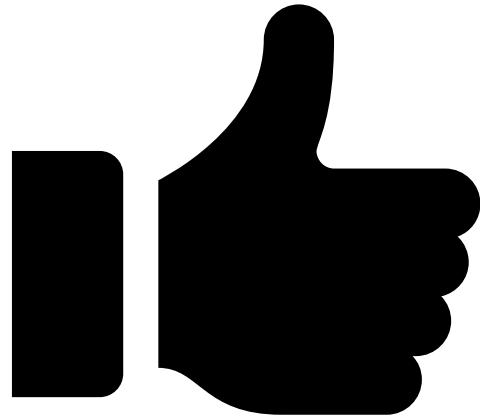

Lesopnames zijn enkel voor afwezige studenten

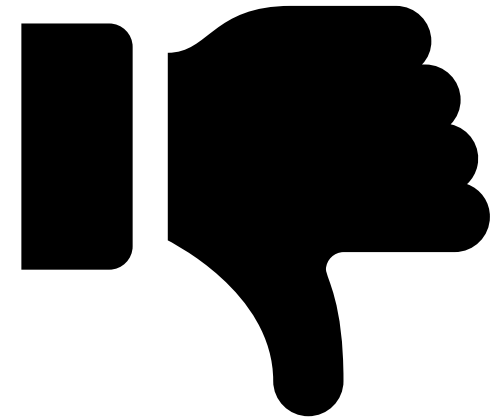

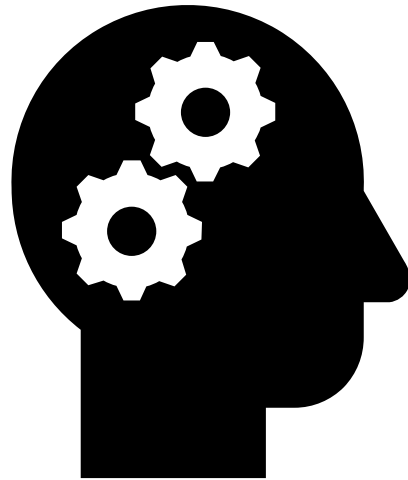

Lesopnames zijn nuttig voor alle studenten

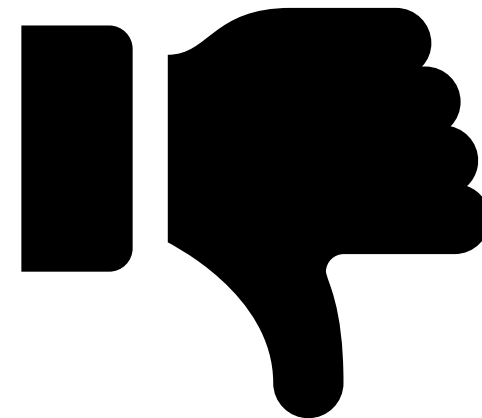

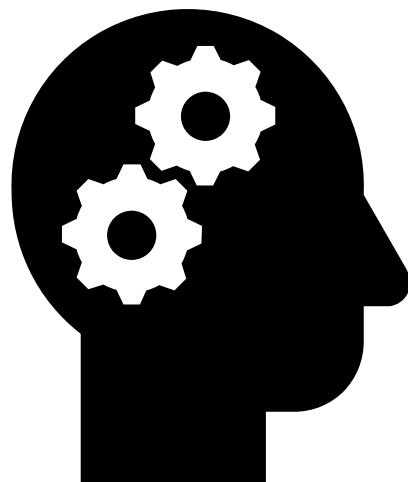

Met lesopnames bereik je andere doelgroepen

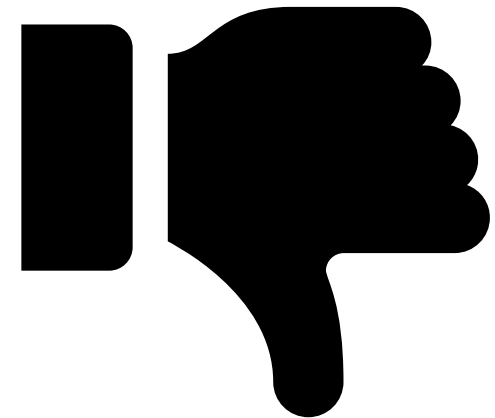

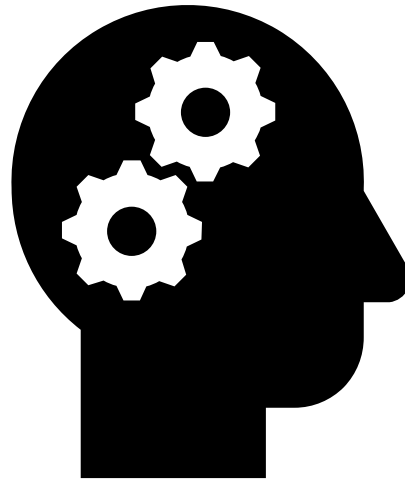

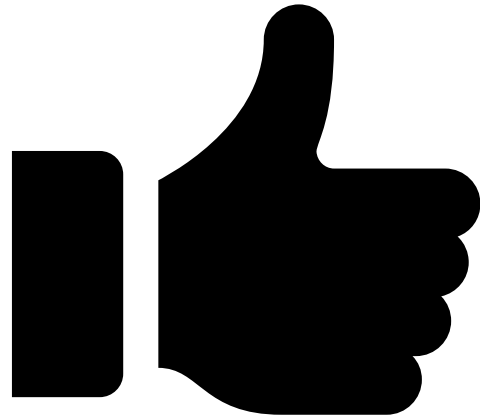

Een lesopame is de nieuwe syllabus

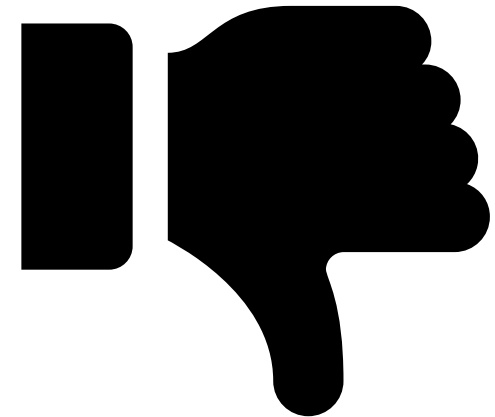

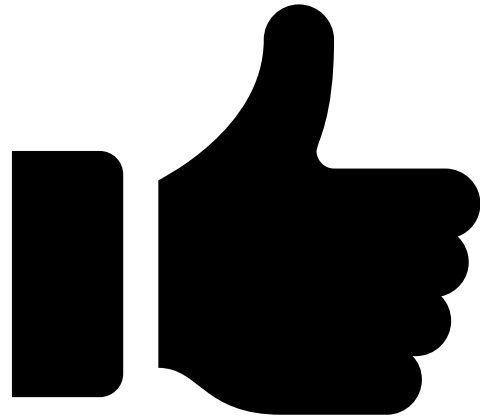

In mijn organisatie is alles technisch in orde om
lesopnames te maken

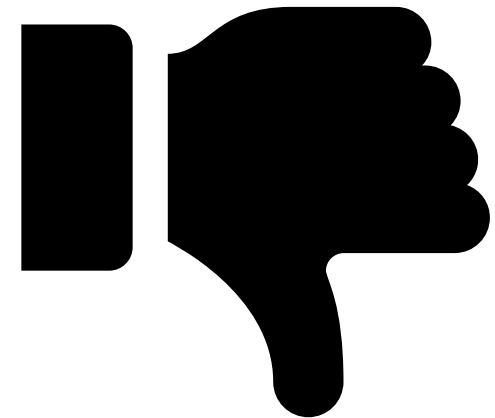

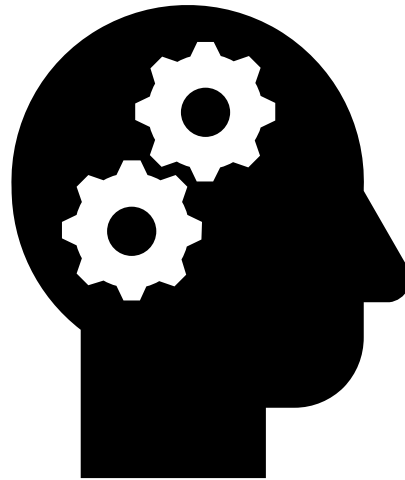

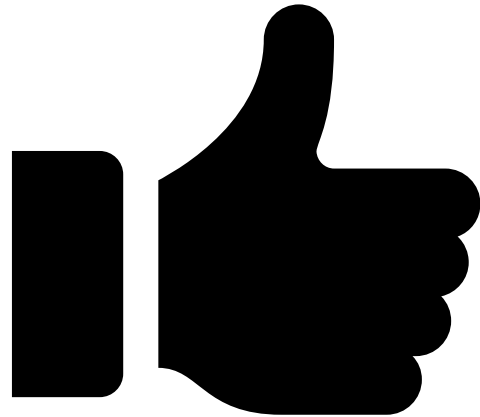

Lesopnames hebben een grote financiële impact op de organisatie

Ik zie veel kansen in het aanbieden van lesopnames

Bij een lesopname moet de prof/docent altijd ondersteund worden
